## ESL Puzzles: Picture Frame

| Name: | Date:                                 |
|-------|---------------------------------------|
|       | Draw a picture in the frame provided. |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
|       |                                       |
